# Humphrey **Penetrates Deep South**

By HARRY KELLY

TIFTON, Ga. (AP) - Sen. Hubert H. Humphrey made his deepest penetration into the South today saying, "I will not speak out of both sides of my mouth" on civil rights.

In his first stop in Georgia — at Moultrie — the Democratic vice-presidential nominee received a mixed reception. About half of his audience booed him during a brief speech.

Following him with an address in Moultrie was the Republican party's convert -former Democratic Sen. Strom Thurmond of South Carolina.

Humphrey, in his sally into Georgia charged that Republican Sen. Barry Goldwater's followers are using conservatism to mask "a radical assault upon the very fabric of the American community."

His schedule for the day included speeches at Moultrie, Tifton, at the University of Georgia in Athens, and Atlanta. Humphrey said that Goldwater speaks the language of a nihilist. "And to all men dedicated to the American tradition" whether liberal or conservative — nihilism is the politics of catastrophe.

# **Cup Heading** Back to **Australia**

By WILL GRIMSLEY Associated Press Sports Writer

CLEVELAND (AP) - The Davis Cup is headed back across the Pacific to Australia, and the United States is faced with an old, familiar question. How and when can we get the tennis trophy back?

The answer is obvious: Maybe not for years. In the last 15 years the United

States has won the silver cup three times — 1954, 1958 and 1963— and each time failed to defend it successfully. The pattern was repeated

iere Monday.

Roy Emerson, the Australian who has continued to spurn the delivered the clinching when he turned back Chuck McKinley of San Antonio, Tex., in the fifth and final match 3-6,6-2, 6-4, 6-4.

This gave the Australians a 3 2 victory, but their superiority in world amateur tennis seems more pronounced than that.

In Emerson they have the undisputed No.1 amateur in the world. He is the holder of the Australian, Wimbledon and United States championships and winner of his last 48 singles matches of any description. McKinley was victim No. 48.

Fred Stolle, Emerson's teammate, has a good claim to being either No. 2 or close to it. Runner-up at Wimbledon and Forest Hills to Emerson, he beat Dennis Ralston of Bakersfield, Calbut lost to McKinley on opening
